

Capt. Carlo Guidi

We learned that Capt. Guidi, one of our retired Italian Masters, also passed away on 05.12.2010.

Capt. Guidi started his career in the «remote» 1958 as Chief Mate when he embarked on m/v CORVIGLIA in Hamburg. The following year he was promoted to Master and since then was in command of almost all vessel of the Company until 31.10.1992 when he paid off from m/v ROMANDIE at Bunbury for a well deserved retirement after having cumulated nearly 303 months sea service.

We remember him as a very professional Master, famous for his integrity and his devotion to the Company.
